HORNET

Dear Narcissus
you're a big brag, but
I'm still glad you a good
friend. I hope you become as
great as you say you are.
P.S. I still can beat you in chess
your friend
+ tennis. Tim May

Brian,

Actually, I think you
are a big smart-ale, but
that's excusable because
you have led me. I
have enjoyed being friends
with you. Best wishes
to ya.

Mike

Brian,

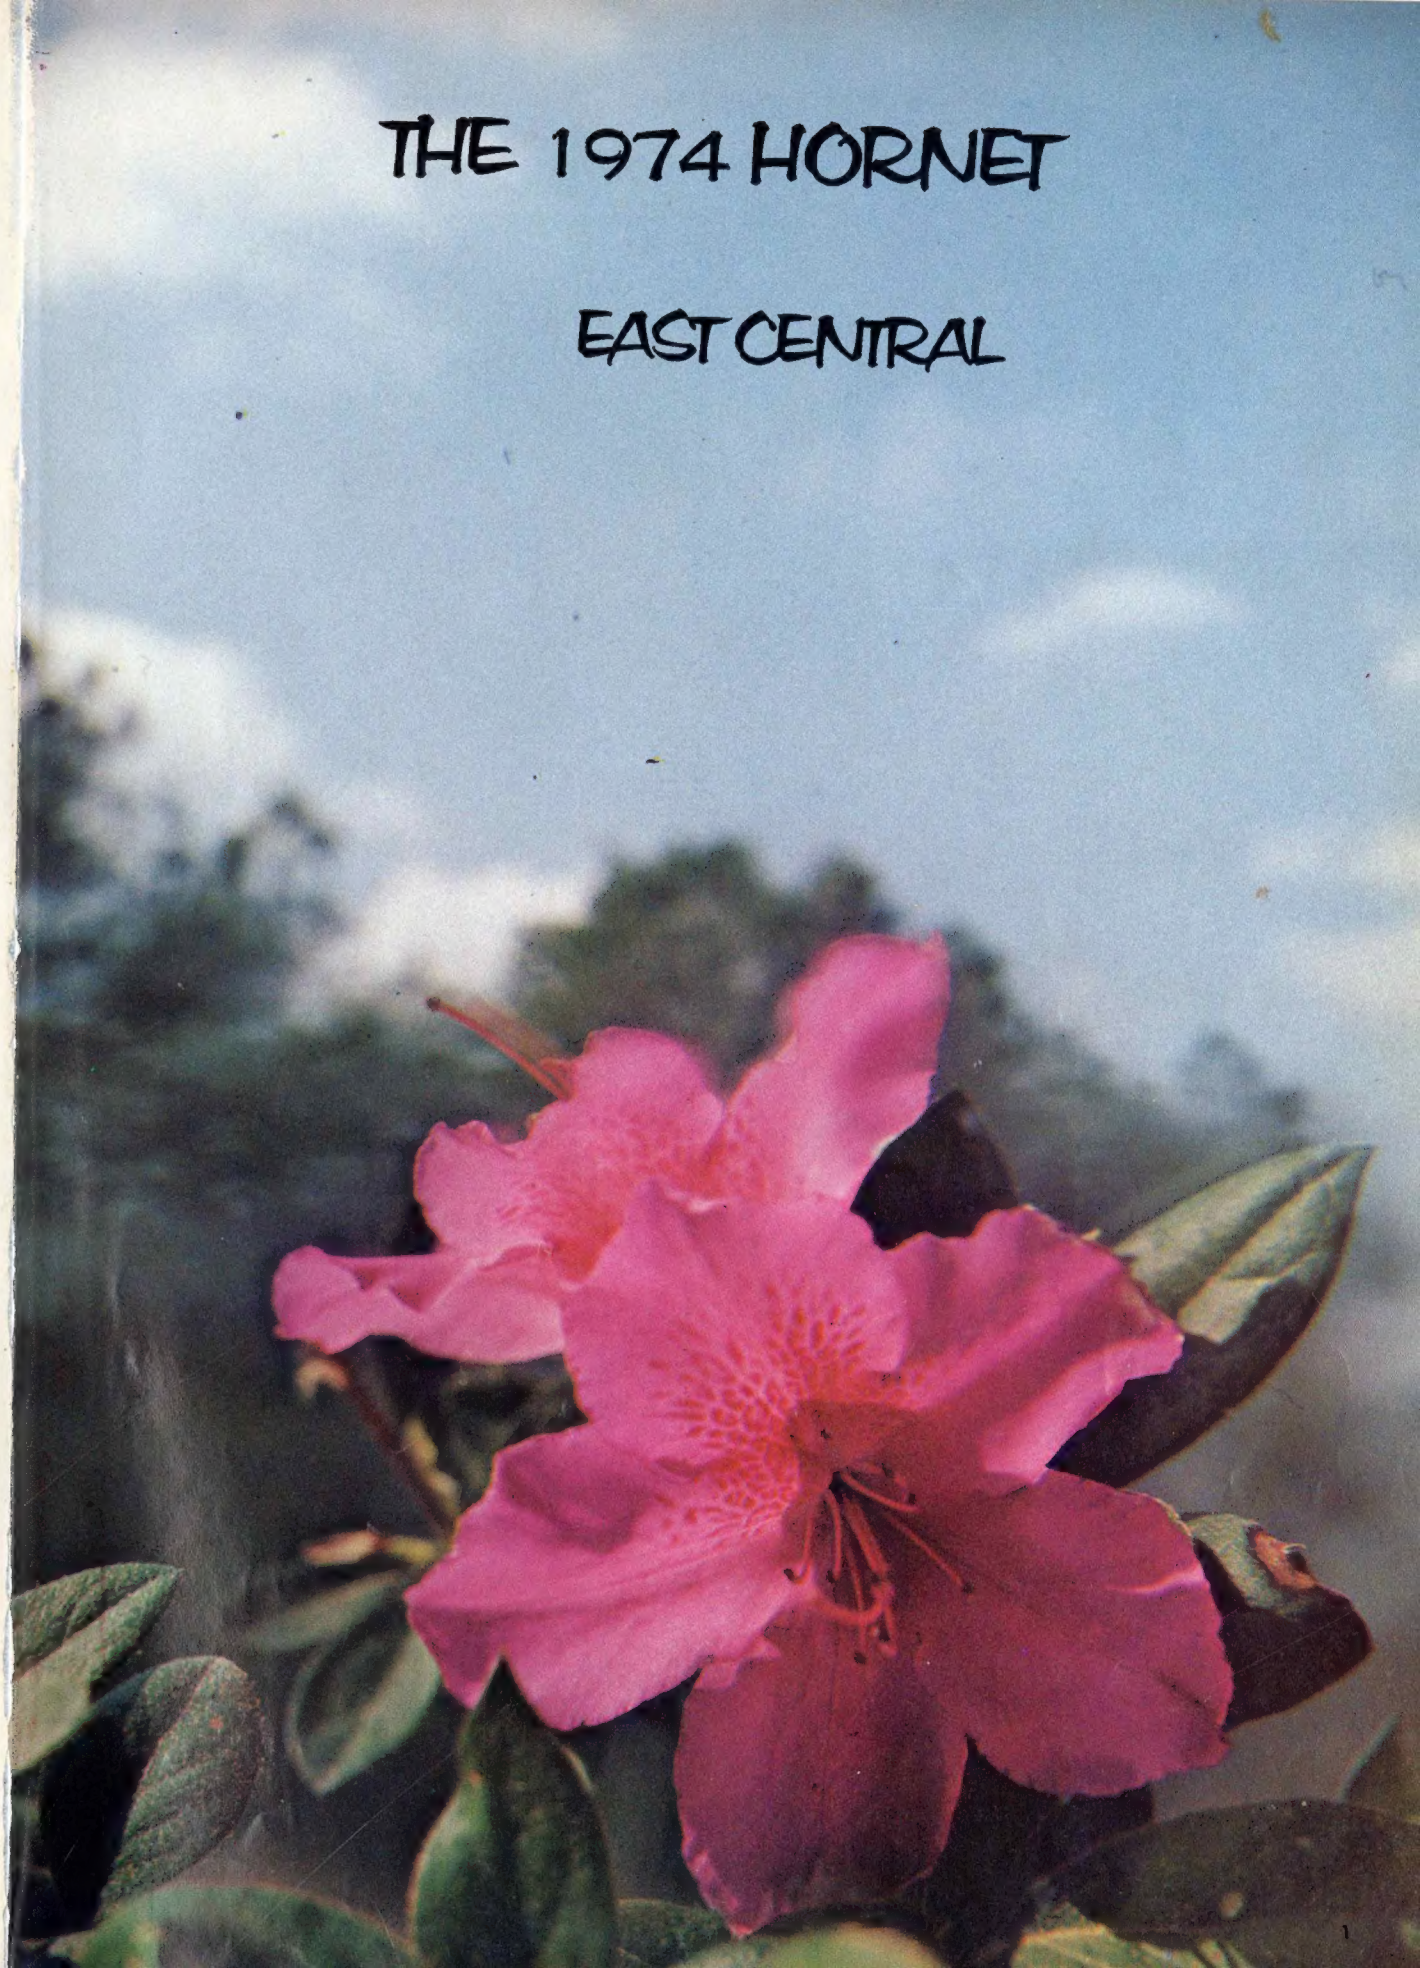

Words can't explain the way I feel about you. You
are the sweetest and nicest person around, next to
ME. ^{HA} I hope our friendship never ends even when
we're out of school. Just remember that if you
ever need a friend, I'll be there.

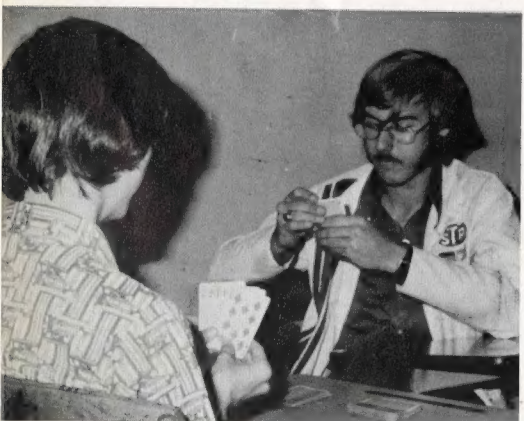

Love
ya
always,

Sybil

THE 1974 HORNET

EAST CENTRAL

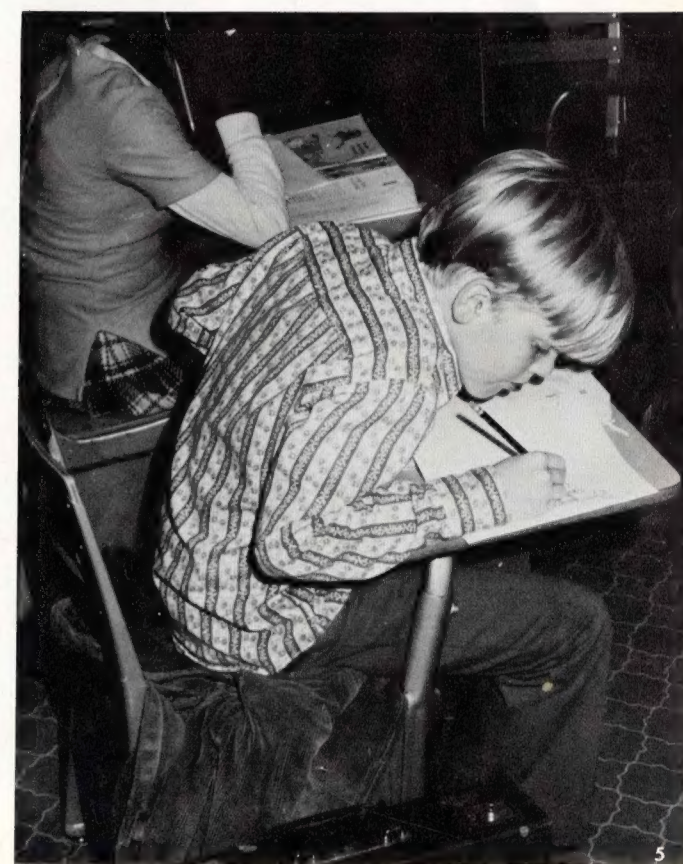

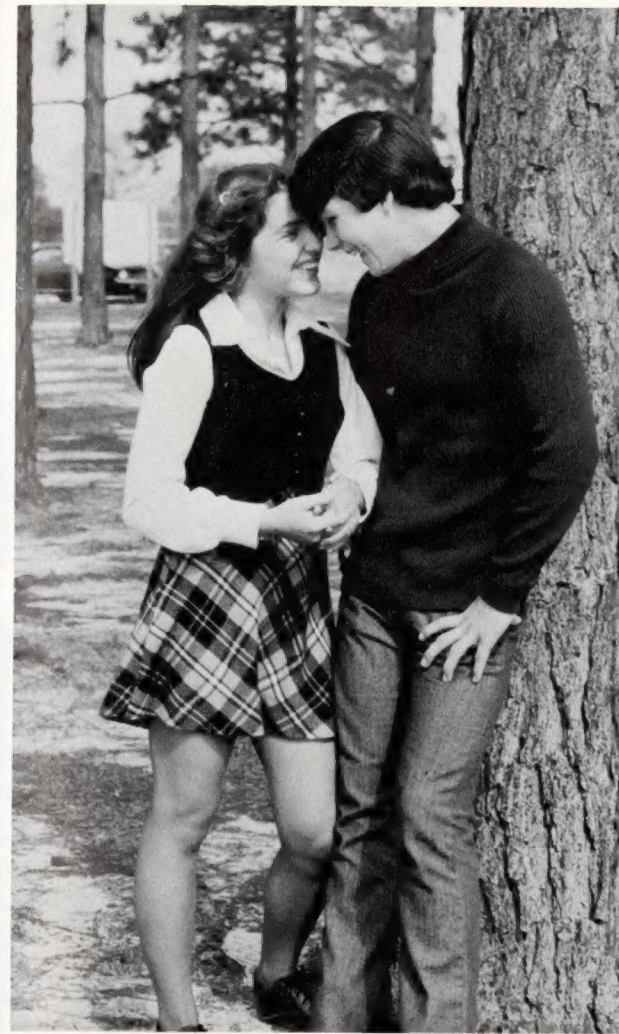

Looking back a few short years
 When we made our plans and played
 the cards
 The way they fell

Clinging to our confidence,
We stood at the threshold of the goal
That we knew dear.

*All our needs and wants
Drawn together in our hearts
We felt it from the start.*

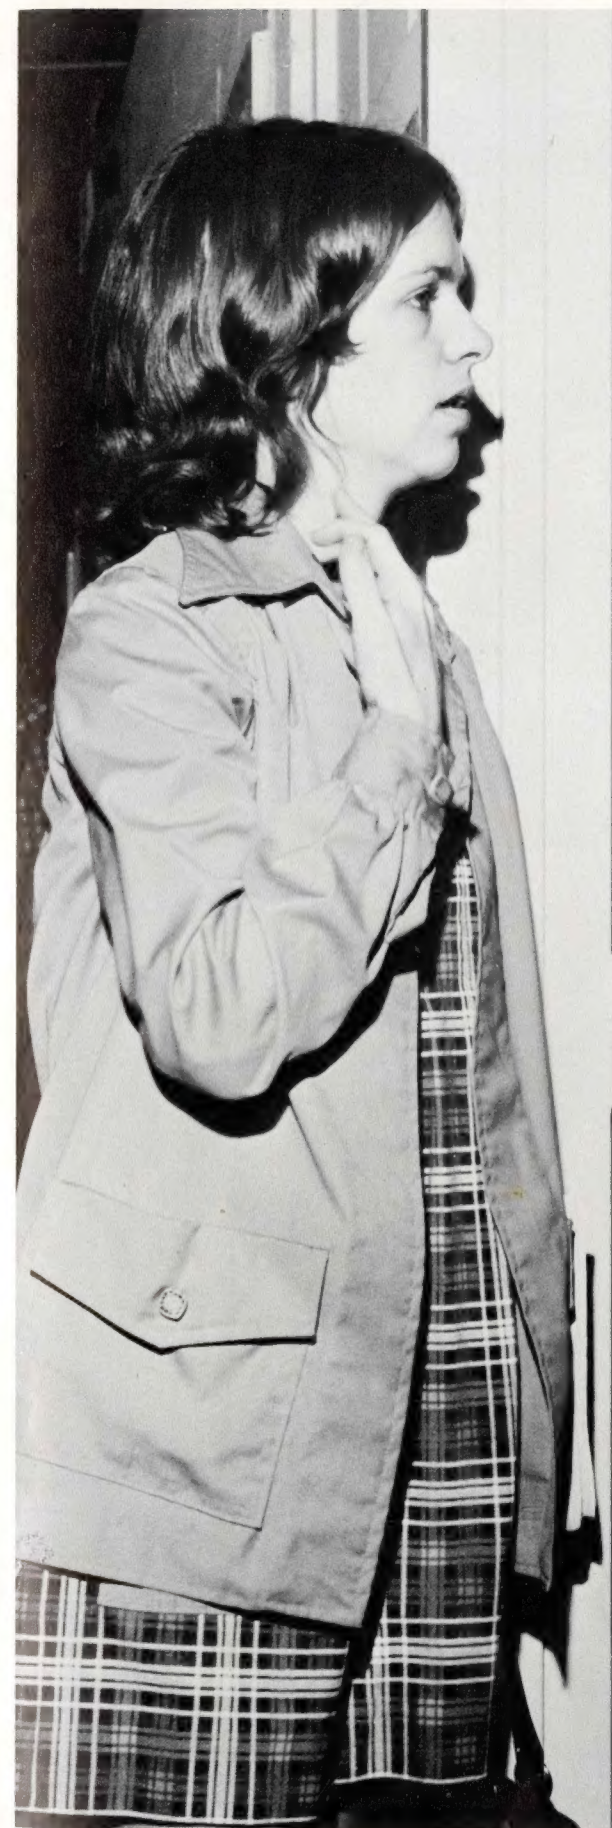

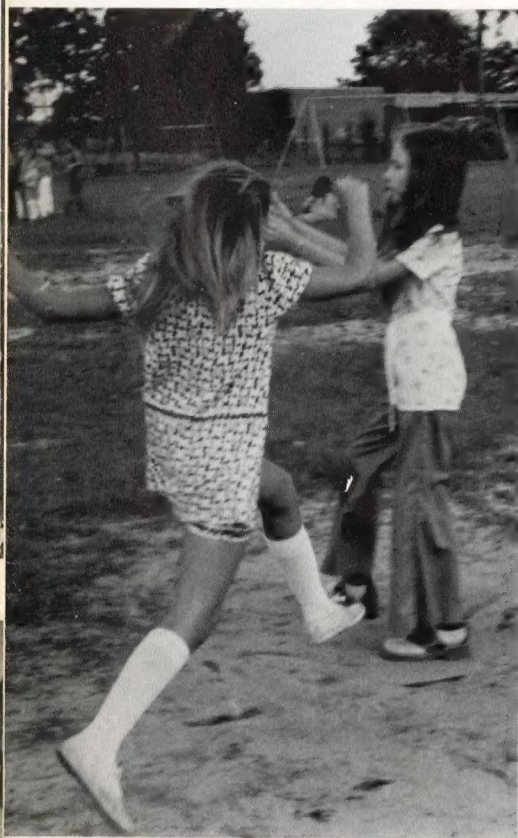

And though we had our fights,
And our short-tempered nights,
They couldn't pull our dreams apart.

It's all happened recently

Now we're living in that dream

We had not long ago

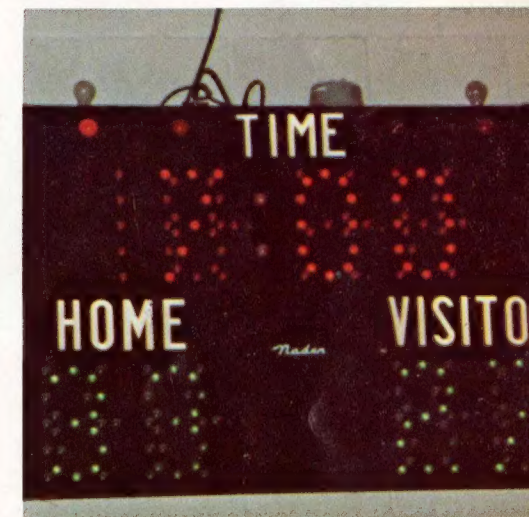

Everything's going fine

Now we just have to

Keep in mind

We must set brand new goals

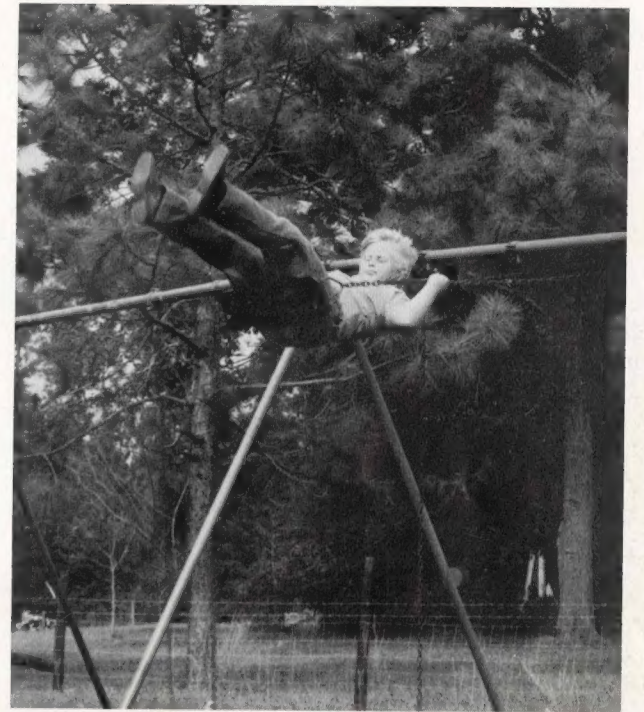

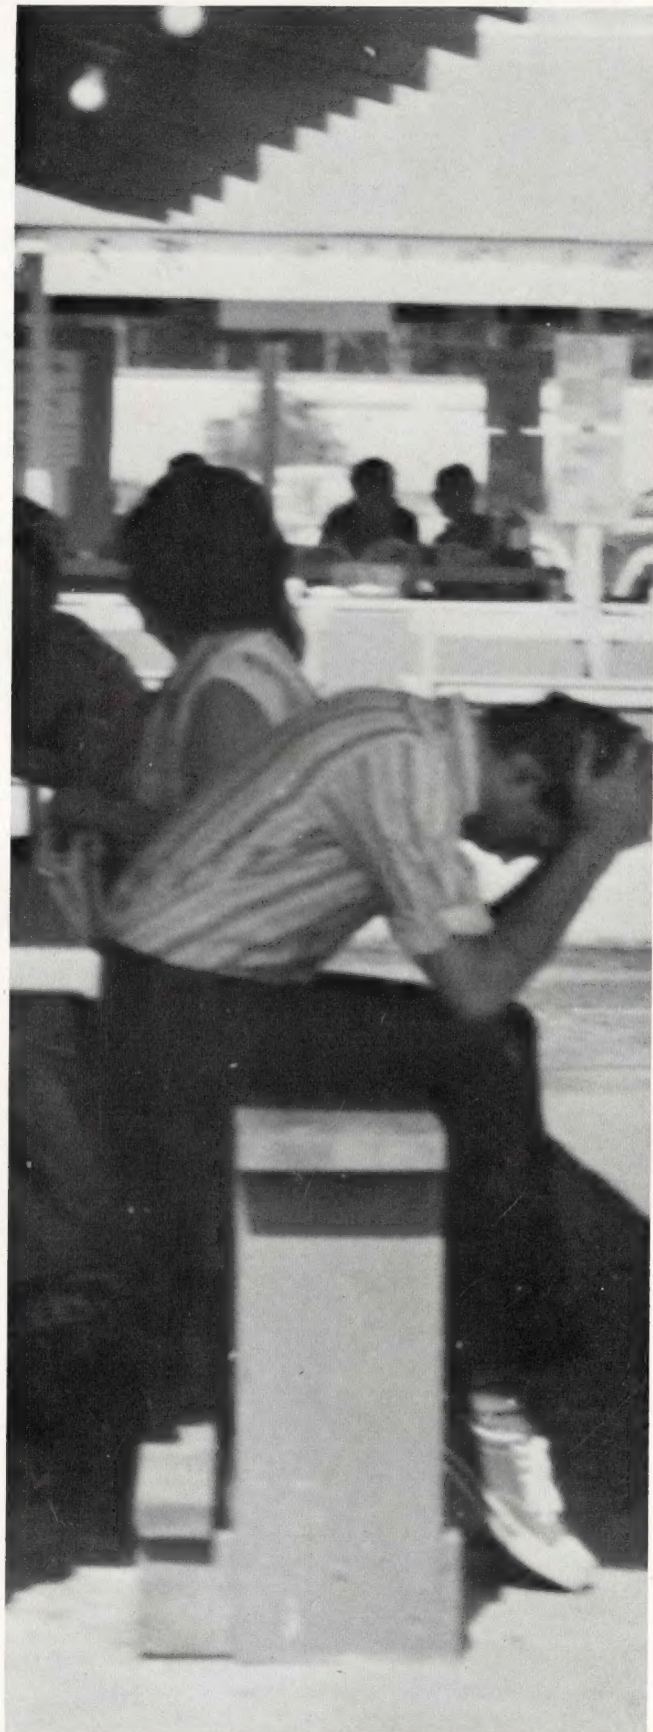

We must not lose control

Of the possibility of the discovery

That would let everybody see,

That we were just meant to be.

Just Meant to Be

1974 Senior Hall of Fame

As a final tribute to the most outstanding seniors of East Central High School, we wish to recognize these thirteen young men and women in the Hall of Fame. During their high school years, each of these students was a leader in some field, whether in music, sports, or academics. Employed for the first time was a systematic approach for the induction of Hall of Fame members at East Central. Points were awarded to all students in the senior class for their participation in extracurricular activities, for the honors they have earned, and also for grades. Those students who met a prescribed point total were automatically selected for the Hall of Fame. Our pride in these students who have been selected is great, and they will go down in the history of East Central as the best of the graduating class.

As a dedicated student at East Central, Kevin has far exceeded the normal goals of a student. As a product of his labors, he has been selected as our valedictorian and combined with his congenial personality, he is dedicated to a bright future.

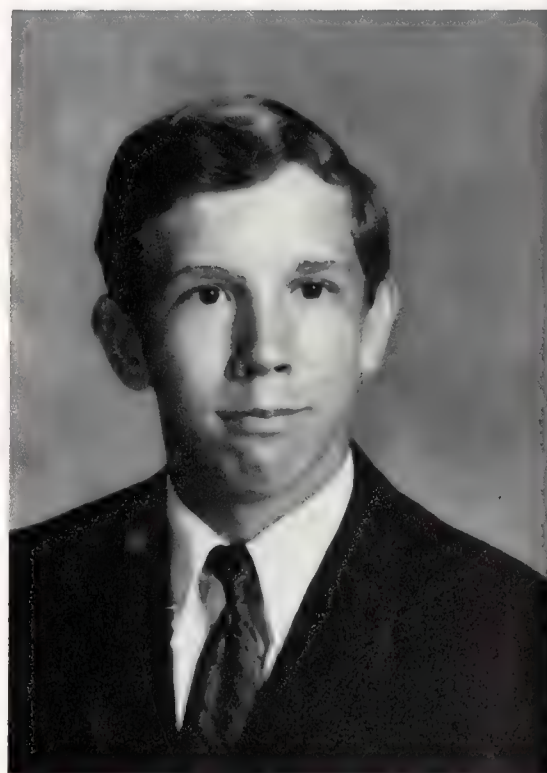

Although she is very quiet, Darlene has been a very active student since she first began school here. Scholastically, she has proved herself among the top of her class by taking the salutatorian award. The most outstanding thing that is remembered about Darlene is her ever-present poise and grace.

Serving the band for three years, Suzanne Nobles represented her school honorably, always maintaining a high grade average. Her peers will remember her as a bubbly redhead with an outgoing personality.

Our East Central halls were honored this year with a new face depicting quiet beauty. Although she only attended East Central for one year, Becky has proved herself worthy of her position in the Hall of Fame. Becky's many friends have felt that she greatly contributed to the warm memories of their high school days.

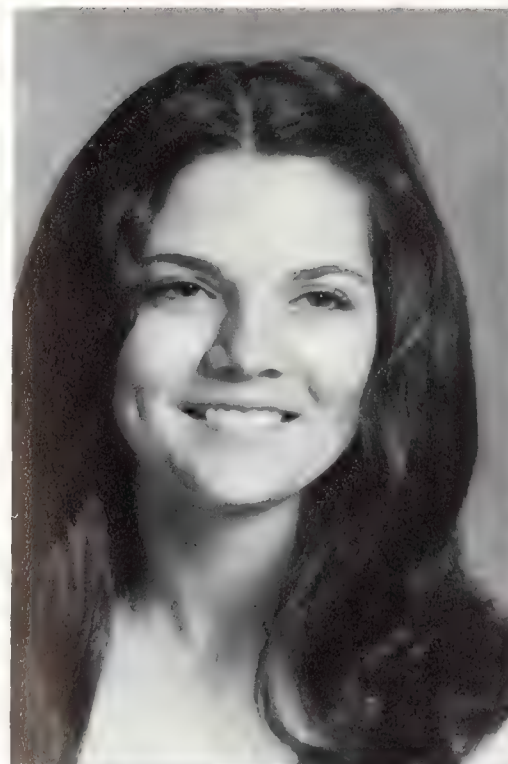

One of the most versatile people who attended East Central, Karen Gladney participated in many school activities and proved to be successful at most anything she did. Karen will be remembered as an active, friendly girl who got along with everyone.

In the halls of East Central there are few students who have such well-earned honor as has Veronica.

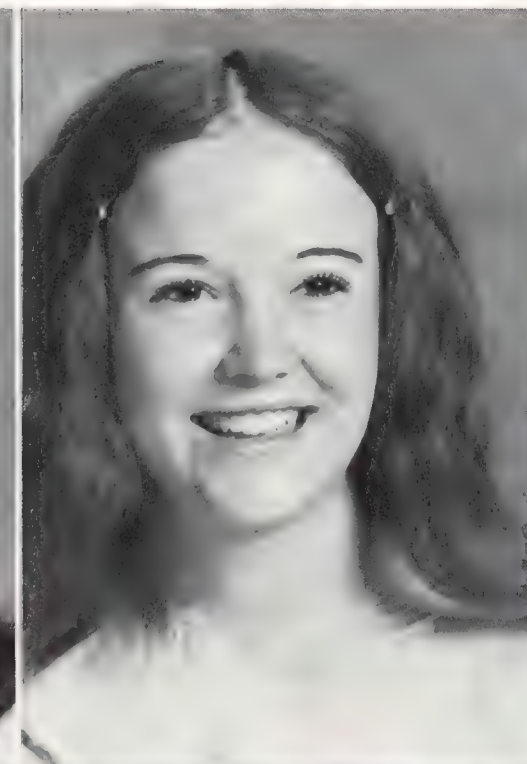

Kevin Michael May

Linda Darlene Goff

Sharon Suzanne Nobles

She has strived to obtain the name she now carries, that being one of a person who has participated in many areas. From all aspects, Veronica's future looks bright and we all wish her well.

One of the well-rounded persons in the Hall of Fame, Steve has participated in several facts of school life. He is relatively quiet, but to those who know him he has many fine qualities. Few people in the future of the school will portray the fine traits of Steve.

During her high school years, Wanda has been accepted as being warm and friendly. She has an easy-going personality with a willingness to work. She always carried her smiles and her heart into her work. Her friendly ways and helpfulness will not easily be erased from our memories.

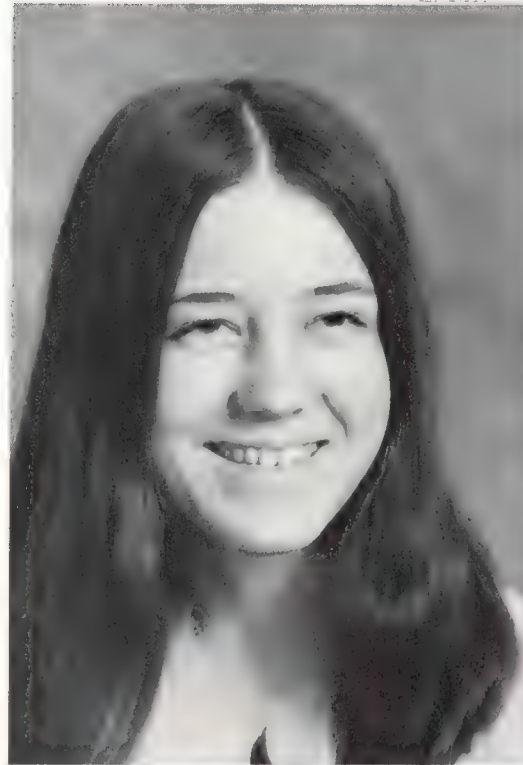

Rebecca Lynn Stuart

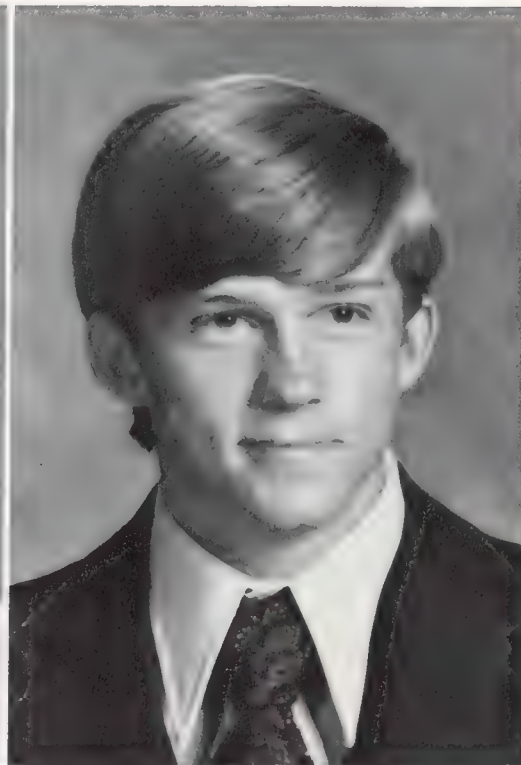

Karen McFaulda Gladney

Veronica Ann Moree

Stephen Vincent Tynes

Mildred Virginia Carter

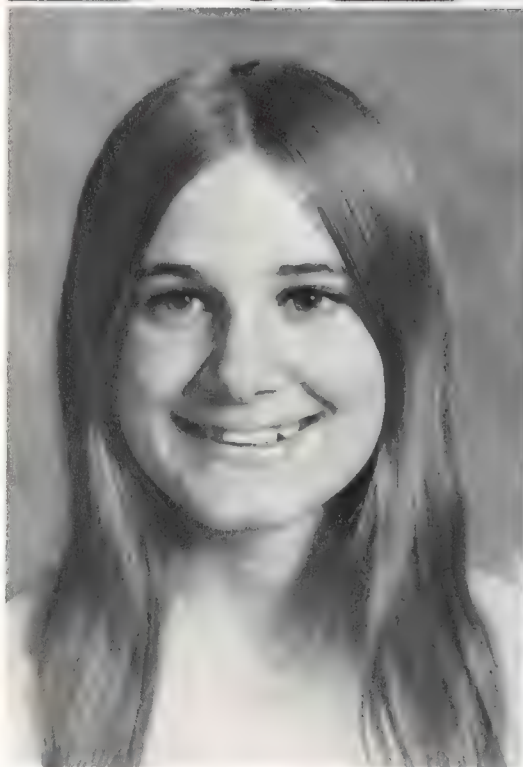

Cynthia Dickerson Ramirez

rez. We will all remember Cynthia's smile and attitude, and the thought of her will serve to brighten our day.

In her school years, Melaine has accomplished feats which have made all of her fellow students at East Central proud to have known her. Because of her many talents, Melaine was selected as our Junior Miss. She will be remembered for her talents, leadership, personality, poise, and admirable beauty.

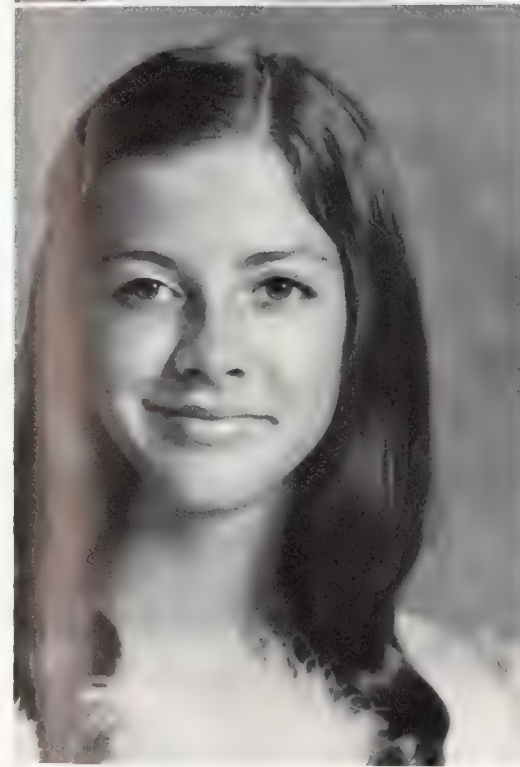

For the past four years, Harold has been very active in both sports and student government. Harold attained the honorable position of All-Conference, and was the proud recipient of a football scholarship to Perkinson Junior College.

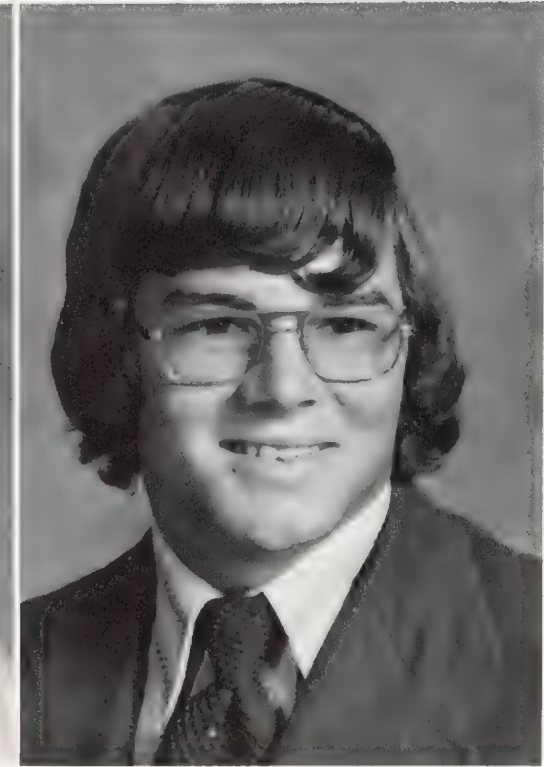

Wanda Sue Reeves

Raymond Lionel Mizelle

Margie Melaine Howell

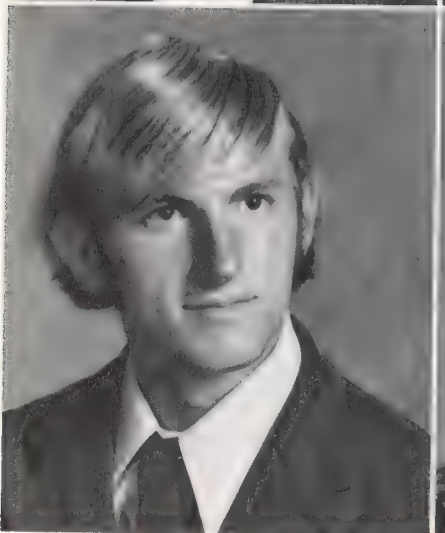

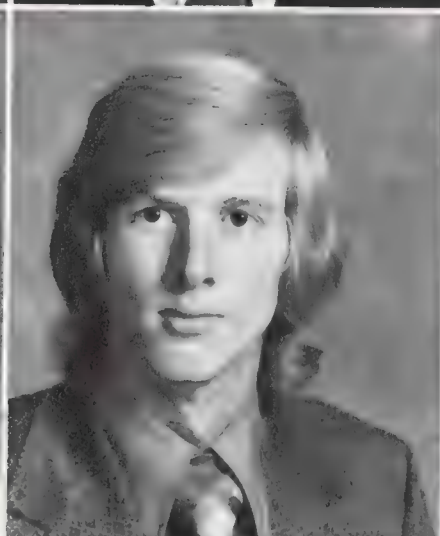

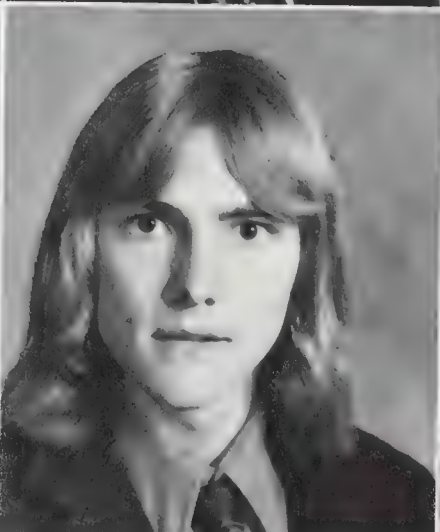

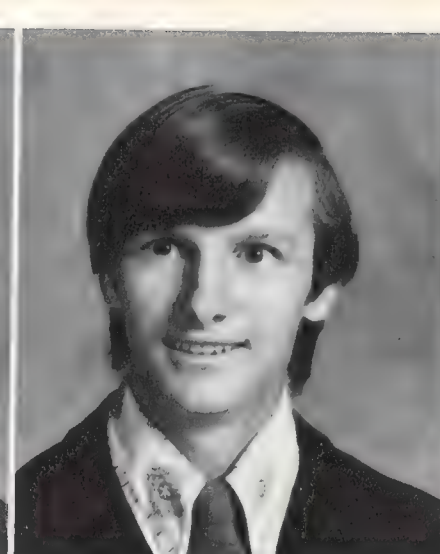

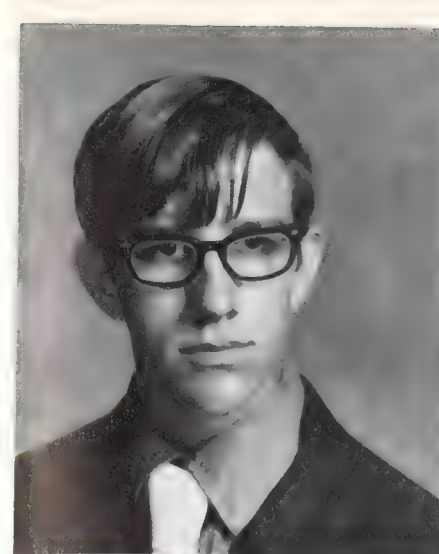

Harold G. Coleman

Seldom in one's life does he meet a person as outstanding as Raymond. He has achieved high ratings as a student of music, particularly in band for four years. To Raymond, everyone was important; he never met an unfamiliar face. He has left us with a memory that we cherish.

One of the most musically talented students at East Central, Mildred Carter has served her school most diligently. Her peers will remember her as a quiet, easy-going person who would never betray a confidence. Upon graduation, there will be an empty spot in our school which will not be easily filled.

After several years have past, the students of the class of '74 and the underclassmen, still at their books, will long remember the name of Cynthia Rami-

Athletics

The defense exhibited in the bottom shot is an example of how our Hornets played all year. The concentration that occurs in practice and in a game is only one quality of a good player (middle).

We were very fortunate having a decrease in injuries, but even careful training can't prevent all injuries.

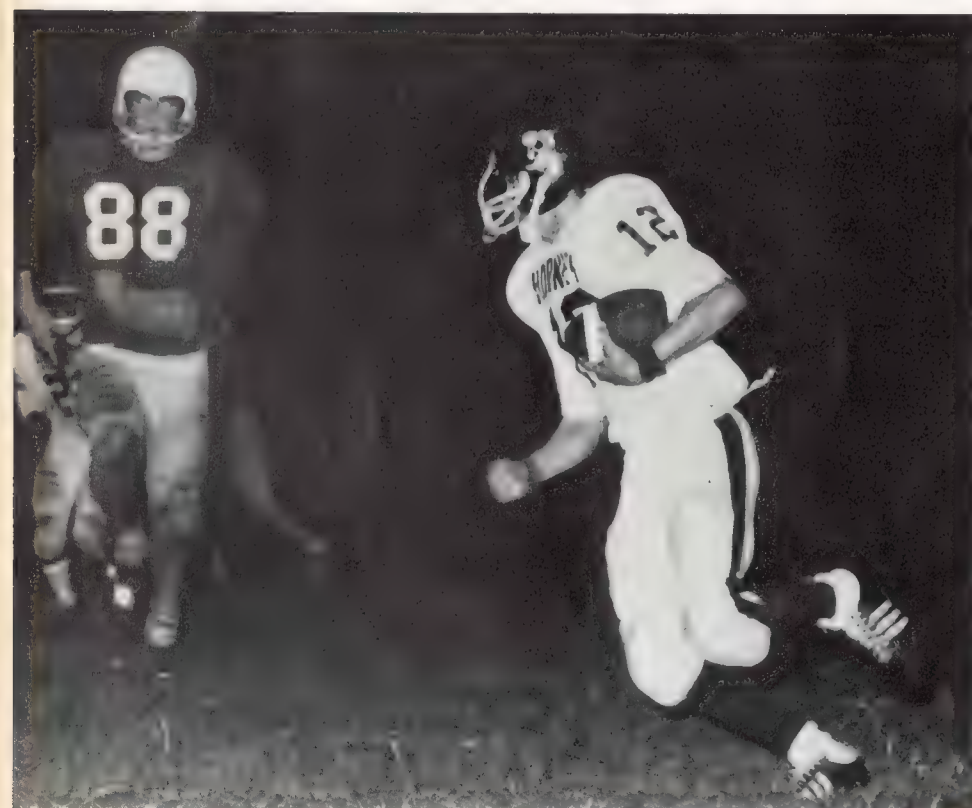

To counter a very fine defense, our team developed a great offense averaging over 300 yards a game. In the lower photo, the sweep is demonstrated with precision by an expert back led by superior blocking.

Many people say that a defense is the heart of a team, others, the offense, but certainly the special teams are a major factor. Here we see just one of the many special teams that form our varsity football squad.

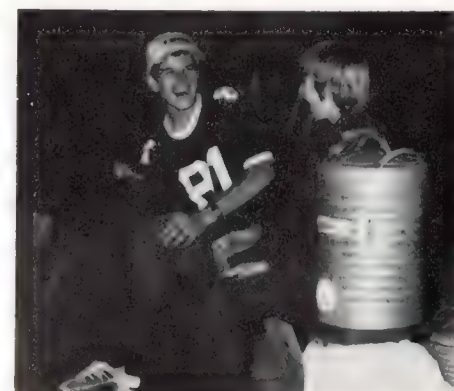

As always, nothing is possible without God's help, and so it is with football. We pray for guidance, fellowship, lack of injury, and if it is His will, a victory (Top). In as much as a journey starts with the first step, so it is that a football team . . . starts with a leader.

We are very proud of our head coach Ronnie Pierce (opposite page, top right), and the coaching staff as a whole. Everyone knows that leadership has method, and our coaches truly have added to that method.

(opposite page, bottom left). Even with excellent coaching, a team must still have a general on the field that's calling the shots. The '74 Hornets had that guidance from their quarterback, Kenneth Long. Kenneth, being a great asset to the team, will certainly be missed with graduation drawing nearer all the time.

The support of a team is probably the cornerstone to its success. Here we have just one of the frantic east Central supporters captured by photography during a recent game. (opposite page).

A very important factor toward any team is having efficient managers, both to care for the needs of the team, in practice and in a game, to store and administer equipment, and also to keep their spirits high. Even though being a manager is a serious job, it has its lighter moments like everything else (top).

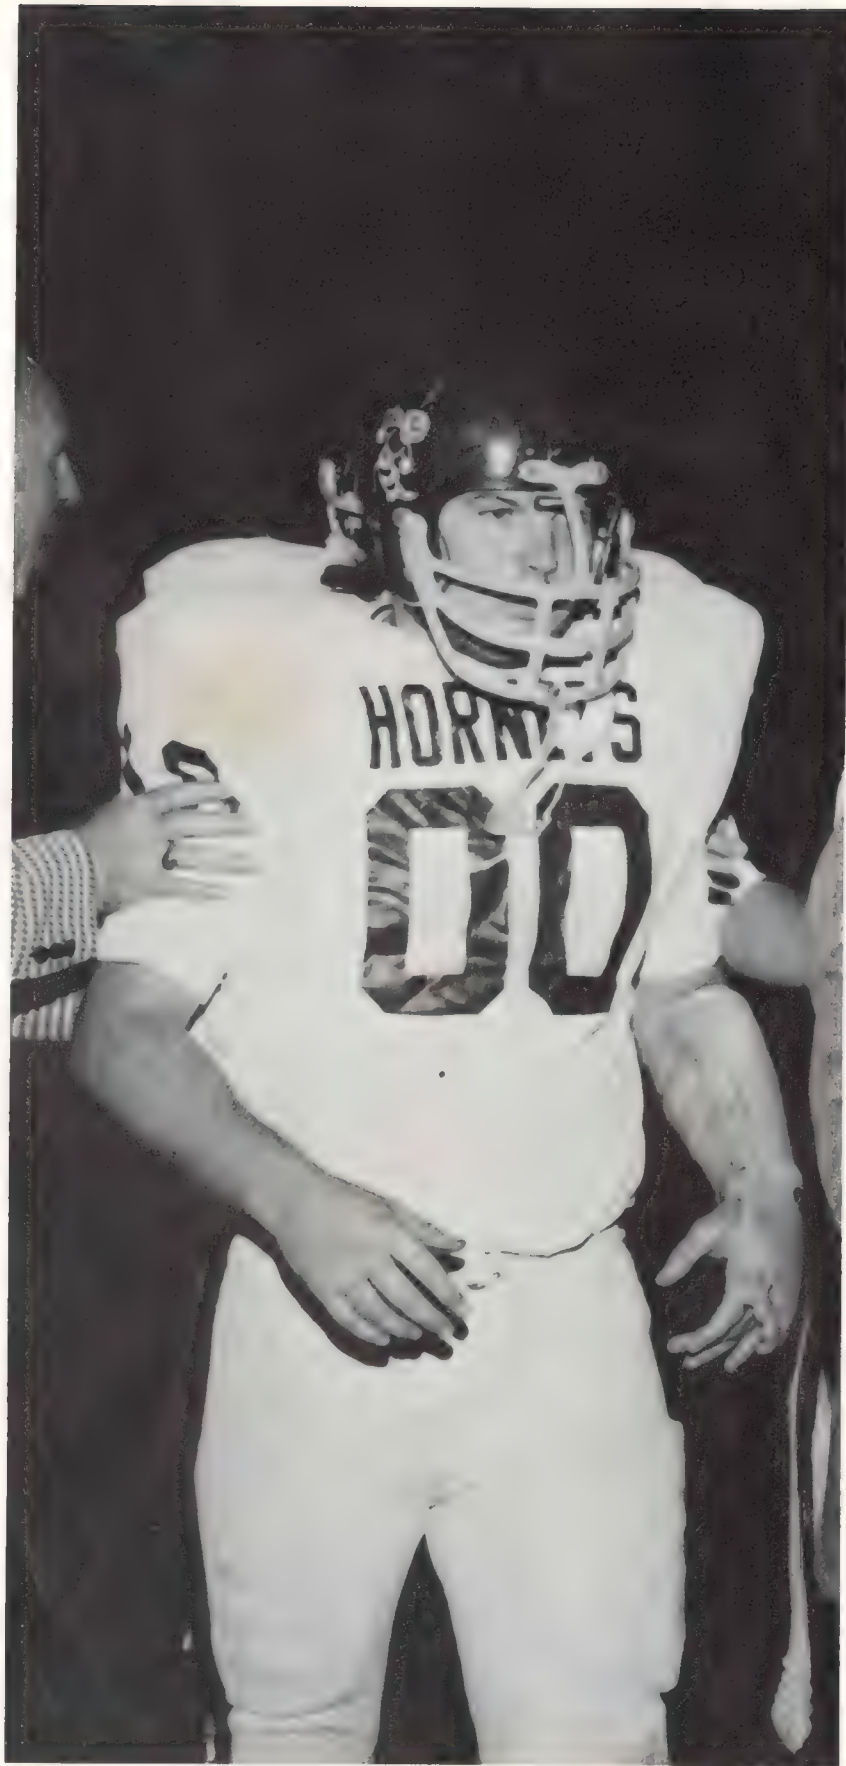

Both lower pictures show the determination faced in being an experienced Hornet varsity football player on the successful team of 1974.

The Fiercer Piercers:

the '74 E. C. Hornets

The 1974 Hornet season was culminated with an invitation to the impressive Oil Bowl. Played at Citronelle, Ala., the Bowl was the highlight of both teams' seasons.

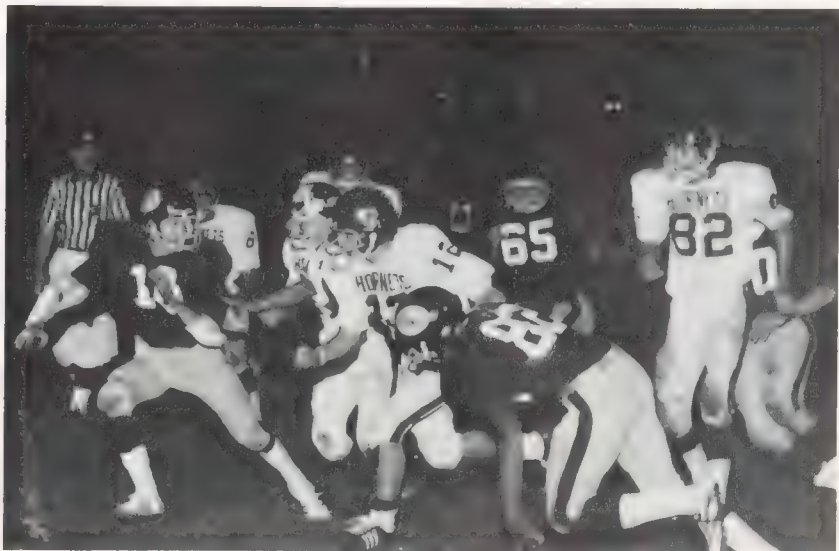

The '74 Oil Bowl: A

The Baker Hornets were the counterpart in a fierce and seemingly endless battle, which has been labeled, "the most exciting game of the season." The result was a victory, 26-21. Congratulations!

Above all, we would like to express our pride in the those gallant Seniors who have contributed much this year. Good luck in life and in everything you do.

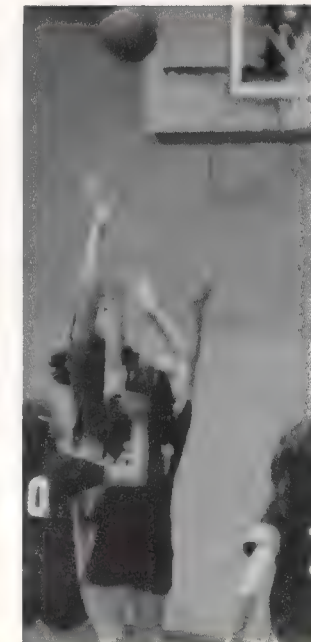

"Hornet" Classic Indeed

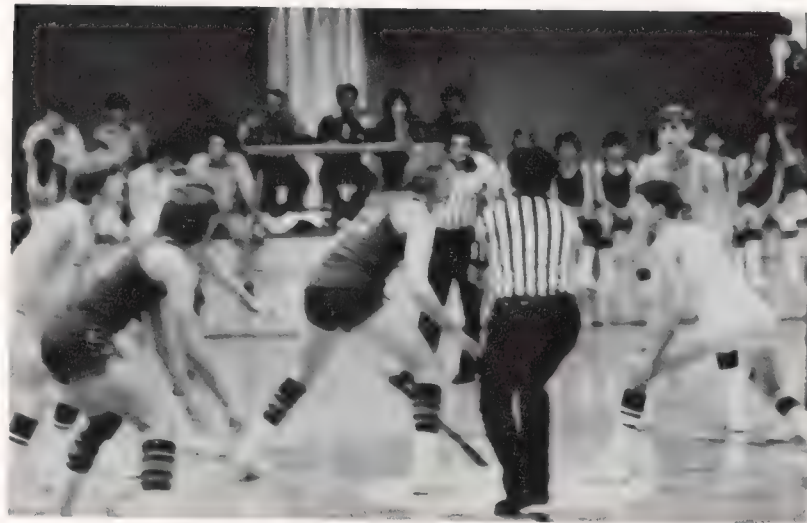

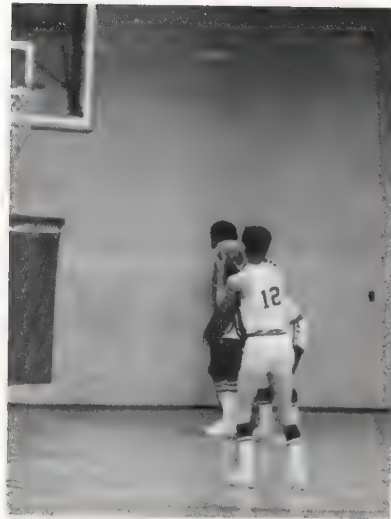

Girls' High School Basketball

Just Dribbling Thru . . .

Although the girls varsity basketball team consisted of only 11 members, they finished out their season with 5 wins and 16 losses overall. Their conference record stood at 3 wins and 9 losses, with victories over D'Iberville Warriors and St. John Eagles. They proved, though, to be a winning team in character and sportsmanship.

Boys' High School Basketball

And Bouncing Along.

The 73-74 East Central High Boys' Basketball season ended with a record of 4 wins and 17 losses. The team showed great effort this year with Seniors leading the way. Steve Tynes, leading scorer, averaged 10 points per game and was selected to the all-conference team.

Mike Powe followed Tynes as the leading scorer. Kirney Tilley led in rebounding with Robert Dobbs following. Willie Holmes exhibited some remarkable moves on the court. The team displayed outstanding teamwork and believe that with this year's experience, we'll have a winning team next season.

This year was the first winning season for East Central in several years with a record of 8 wins and 6 losses. Kelly Goff, leading pitcher, had a record of 5 wins and 3 losses and an ERA record of 1.17. Kenneth Long, another good pitcher, had a record of 3 wins and 3 losses and an ERA record of 3.03. Kenneth, along with being a sharp infield player, was our leading hitter with a batting average of .308. Harold Coleman, 2nd leading hitter with a batting average of .278, proved to be an alert defensive player at 1st base. Donald Nelson was tapped as best outfielder. Kelly Goff, Kenneth Long, and Donald Nelson were chosen for the All-Conference team.

Baker High won the Alabama State AA Competition with a record of 20-1. The one loss was to us.

Our '74 Thin Clads

Junior High Football

The E. C. Junior High Football Team had a fine season this year with a 4-4 record over-all and a 4-2 record in the Pascagoula River Conference tying with the D'iberville Warriors for second place.

Coaches Marty Scott, Larry Brown, and Ed Carnley (at right, left to right) seemed pleased with the season, but, of course, are looking for bigger and better things during the 1975 season.

Head Coach Brown acknowledges Coach Scott (line) and Coach Carnley (back) for their outstanding services. With their help he expects the Junior Hornets' 100% or more for next year.

Junior High Basketball Boys

Feelin' Alright

The Boys Junior High Basketball team finished their season with a 5-13 record. Although the beginning of the season looked bad for the boys, they improved their games in the last portion of the season to capture 5 wins. James Kelly, leading scorer averaging 8 points a game, was voted to the all conference team along with Lonnie Reed. Walt Stuart led the team in rebounding. Both boys and girls basketball teams are coached by Bruce Gatlin.

Junior High Basketball Girls

Lookin' Good

The Girls Junior High Basketball team finished with an outstanding record of 11 wins and 4 losses. East Central was runner-up in the St. Martin Invitational Tournament on December 8th. Three East Central girls were selected for the all tournament team: Rhonda Davis, Janice Goldman, and Ramona Strickland. The team finished with a Conference record of 6 wins and 1 loss, tying D'Iberville's record. The Conference Title went to D'Iberville, but three of our girls were selected to the all conference team: Vickie Carter, Rhonda Davis, and Janice Goldman.

Junior High Track

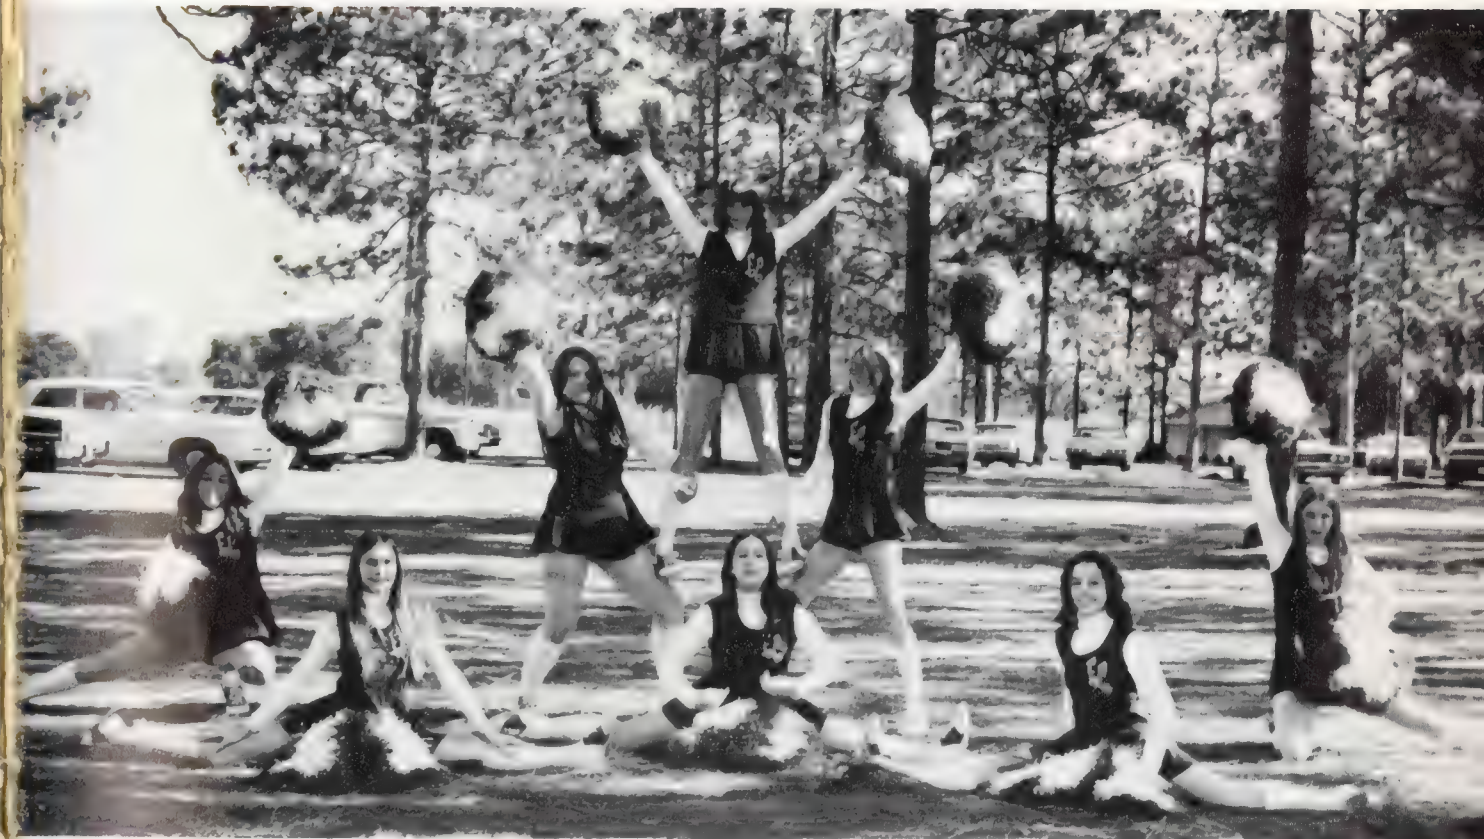

Team Members consist of: Front row: Mary Bradley, Terri Hinton, Susan Jones, Susie Tynes, Cindy Day, Donna Morrison, and Ginger Cumbest; Second row, left: Doris Wells, Sandra Riley, Shirley Wells, Alice Wells, Christie Sorel, Angela Coleman, Betsy Ingram, and Vickie Carter.

Members of the boy's team are from the front row: Frank Rice, Williams Willis, Lonnie Reed, Robert Simmons, and Melvin Smith; Second row: Darrell Clark, Greg Cumbest, Greg Smith, James Wells, and Mike Williams.

Activities

Homecoming '74

This year our homecoming was one of the best ever. Miss Donnice Pierce reigned over the festivities. Our Senior maids included: Velinda Saxon and Genise Dickerson. Representing the Junior class were Carolyn Goff and Brenda White. From the Sophomore class we had Barbara Long and Melinda Matthews. These young ladies did a fine job of representing their classmates.

Jr. High Beauties

The Junior High was represented by these seven lovely young ladies. Miss Suzanne Tynes, a Freshman, was queen of the Homecoming festivities. The Freshman maids were Peggy Porter and Marie Davidson.

From the Eighth Grade we had Cynthia Long and Leta Goff. Cindy Kirkwood and Lesette Hartsfield represented the Seventh Grade. These young ladies should be congratulated for being such fine representatives of their fellow students.

Senior Prom 1973-'74

The 1973-74 Senior Prom was a night our Seniors will never forget. The renowned "Storm" entertained and really blew our minds. Everyone was smiles and laughter and we really had a good time.

Looking back, it seems so strange now, that we could have been so carefree. It never even crossed our minds that this was the last time all of us could get together and have fun. Graduation was just around the corner . . . so close, and it never crossed our minds.

'The Custard Caper'

"Really, Mother!"

From left to right: Billy Kirkland, Sherry Jones, Raymond Mizelle, Mary Spooner, Tommy Eldridge, Wanda Reeves, Chandra Hinton, James Boutwell, Cynthia Ramirez, Becky Stuart, Arleen Ely, David Chambers, and Alvin Goff.

The Seniors of '74 superbly displayed their combined talents in the presentation of the class play, "The Custard Caper," a nostalgic comedy. We would like to commemorate the Seniors for their efforts in this delightful episode of life in the 1930's. A special thanks from the Seniors goes to Mr. Rose and Mr. French for devoting their time to the play.

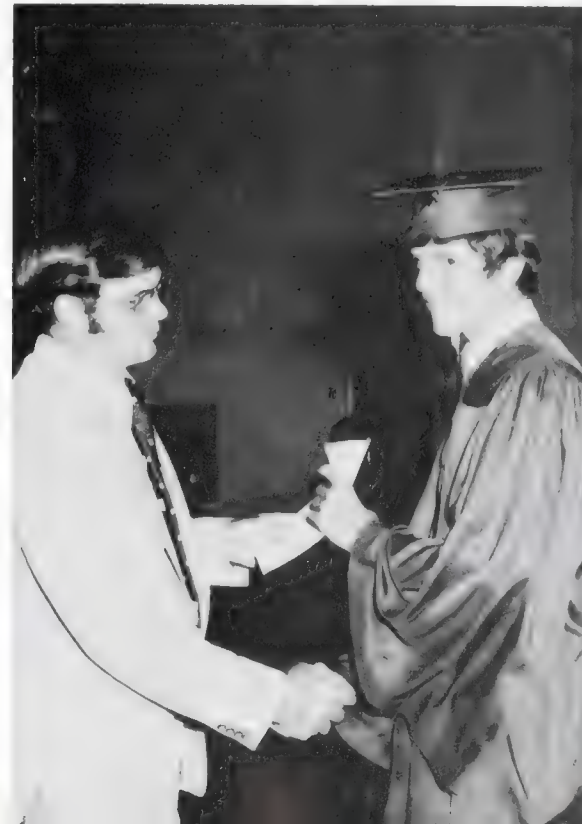

Just meant
to be . . .

. . . the way
we were

the end of school is drawing near,
and in my eyes a loving year,
for all of those I've come to know,
as I stood quietly and watched them grow,
from one through twelve,
through all the years, we shared love,
laughter, even tears.

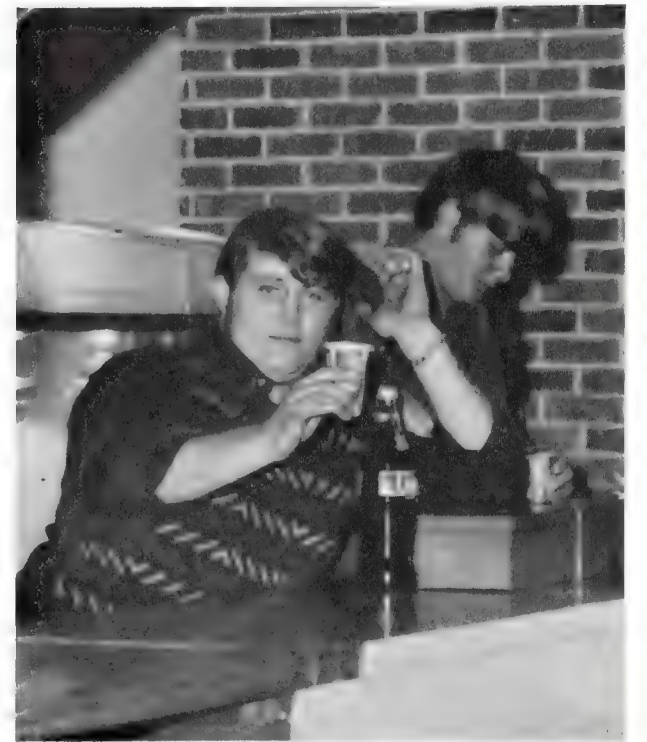

no words can tell how much I care,
I just want you to know, I'll always be there.
we now stand together,
united as one, for the last time ever,
under the sun,
never will there be a class anymore,
as beautiful as the class of '74

Spirited Faces

Student Body.

East Central has thirteen fine clubs, each one equally important in giving the students a sense of belonging and responsibility. The Annual Staff would like to thank you, the student, for supporting these clubs with your time, effort, and money; yet at the same time we would like to ask you a few questions. Do you think that there should be more money allotted to these clubs, more facilities, and possibly more time and attention? Do you feel that there are too many clubs? Not enough?

We urge you speak up at the beginning of this year as to your feelings about the clubs which build a person's character, perseverance, leadership and awareness.

In the future we hope you will support the club(s) of your choice, whether already or not yet established. It is to your benefit that these clubs are organized, established, and set into motion. They are and will be designed to help the student through the present and, later in life, the future. Life is full of surprises, but there is one thing that will never be a surprise. And that's the feeling of accomplishment. There are many things to be accomplished in a club. You can decide upon a vocation that you would enjoy doing while you are aiding society, the economy, and your fellow man.

An education is greatly needed in our society today with its computers and advanced technology. The clubs benefit the school and the school in turn benefits you. Please don't pass up the opportunity to have things to your advantage.

Annual Staff of '74

High School Student Council

Seated left to right: Mr. Goff - sponsor, Arleen Ely - secretary, Veronica Moree - president, Brent Cumbest - vice president, Wanda Reeves - reporter; Standing right to left: Cheryl Dobbs - treasurer, Ricky Robertson soph., Tanya Carter soph., Harold Coleman sr., Rhonda Porter jr., Kenneth Long sr., Steve Tynes sr.; Not shown: Brenda White jr., Faye Wallace soph., Brian Martin soph.

We have successfully completed these projects: an exciting week of activities for homecoming, homecoming dance, Christmas decorations contest, sponsored a Christmas play, and also combined efforts with the FHA in giving a Christmas banquet for the administration and faculty, held a lecture on parliamentary procedures.

We hope to complete a student handbook for the students of the next school year. We plan to take the election of Student Council officers and use it as a means of teaching just a little about citizenship and the right to vote. The election will be well planned and conducted. We also plan to raise enough money to send next year's officers to a camp in Arkansas and then to a workshop in Minnesota. The purpose of this is to train our officers well and start from that point in building a well organized and efficient Student Council. From there on we can learn to help the student body. We are planning for the future of our younger students.

Beta Club

Kneeling from left to right: Barbara Long, Kathy Shumock, Becky Stuart, Wanda Reeves, Cathy Wells, Karen Gladney, vice-pres., Tonya Carter, Charlene Cumbest, Susan Bush, Charlotte Brown, Caroline Christiansen; Middle row right to left: Glenda Sheffield, Sharla Warnol, Suzanne Nobles, Daryl Goff reporter, Melinda Matthews, Lisa Cumbest, Mimi Cumbest, Darlene Goff secretary, Susan Riley, Mrs. Johnson sponsor, Veronica Moree, Barbara Dunbar, Carla Green, Teresa Cumbest; Back row left to right: Gerald Rice, Reagan Wyser, Joe Farr, Walter Lowry, Tim May, Billy Kirkland reporter, Robert McPeck, Terry Long, Brian Martin, Kevin May president, Tina Taylor, Helen Tisdale.

As an honor society, the Beta Club symbolizes leadership and develops the academically talented students for their roles as tomorrow's leaders. This years activities involved much in the line of school participation. We worked at every football game in the concession stand and contributed much to the morale of the team and its supporters. We staged a Powder Puff Football game as another fund raising drive, again offering entertainment to the East Central followers. In February, the club went to Jackson as a result of all the hard work put into the fund raising drives mentioned and also in the distribution of animal candles and wind chimes which were also sold to earn money for the annual trip to the State Capital. We have made plans to offer a scholarship to an outstanding senior, with hopes of making it a two student award with a hundred dollar scholarship given to each one for their role in and at East Central. The Beta Club itself is an honor and asset to East Central.

Dear Students,

We, the Annual Staff, work all year to collect memories in the form of pictures and words. These memories are passed on to you to keep in The Hornet Annual. We dedicate this book and our work to you, the student body. We appreciate each and every one of you. It is you who create the moods, activities, and happenings that make up a school year. Every sport you've participated in, every organization you've joined, every activity you've supported, every class you did or did not attend, - everything that was a part of your school year is a memory to treasure.

In the same way that memories are held dear, we sincerely hope that this book will also be held as dear to you as the memories we have of putting it together.

Yours truly,
THE ANNUAL STAFF

This year the Business Club made turkeys to place on the trays of the kids in the Children's Ward at the hospital this Thanksgiving. They plan to hold an Awards Banquet near the end of school. The club will hold a Career Day where delegates from different businesses will come and discuss the qualifications and other details of their businesses. This year the club sold memo boards to help raise money for a scholarship to be awarded to a Senior who plans to continue their business career and has the highest grades.

The Science Club was organized in the 1972-73 school year. The purpose of the Club is to stimulate interest in Science and also to open up the vast opportunities available to future science students. The club puts on an annual Science Fair. The club usually goes on a field trip each year and the club plans to begin a scholarship program this year. The Science Club also plans to attend a Science Day in Hattisburg to further their interests in scientific affairs.

FHA means Future Homemakers of America. At East Central it also stands for Fun, Happy times, and Activities. Sporting 56 members this year, the club had the honor of including boys who were presently enrolled in home economics. Activities have included car washes, Teacher Christmas Banquet given jointly by the Student Council, and a trip to FHA Convention held April 4-5 in Jackson, Miss. Club advisors are Miss Barbara Smith and Mrs. Linda Gatlin. This year's Program of Work was Impact, teaching students how to efficiently carry out a plan or program.

Our FFA is planning to participate in many activities: District Tractor Driving and Tool ID, District Dairy Judging, State Judging Contest, FFA Emphis Seminar, and Office Meetings at Petal, Miss. The FFA prepares young men to be THE Future Farmers of America. The young men give advice to those who need it on planning their budget, planting crops, and harvesting. Although our chapter is small, we have big plans for improving our community and school in the near future.

The Library Club has a membership of 39 students. The club has had a fund raising activity so as to support the scholarship of \$50.00 that is given to a senior planning to enter college. The club has as its objectives: To increase student interest and participation in Library service, to promote cooperation among students in the upkeep of the library, and to further the development of adequate library service for all.

The E-Club is an organization composed of high school members who have lettered in a sport. We are proud of the members that show interest in their school and participate in sports and physical fitness. The sponsor of the club is Coach Ronnie Pierce.

A Straining Occupation

This year Mr. Jerry Nobles returned as the head of East Central's administration. This was Mr. Nobles second year at our school. Mr. Nobles was instrumental in the accreditation of East Central by the Southern Association of Schools and Colleges. Mr. Nobles not only works behind a desk from 8:30 to 3:00, but also plays a main part in the maintenance of the plant. Bringing to an end a long, fulfilling career at East Central, Mr. Curtis Burrell will be long remembered by the students he has served. During Mr. Burrell's seven years at East Central he has labored continuously to make our school a better place. Taking time off from his home life, Mr.

Burrell is seen at all school activities, showing his love and concern for the students here.

Even though there will be a replacement for Mr. Burrell, to us he is irreplaceable.

This year we welcomed an old face, that of Mr. Bill Williams, into the job of principal for grades four through six. Mr. Williams, a former elementary teacher, is new in the field of administration. We salute Mr. Williams for his achievements in the elementary school.

Service With a Smile

Holding the position of principal for grades one through three is Mrs. Cynthia Lumpkin. Mrs. Lumpkin has brought new ideas to an old school. Mrs. Lumpkin's dedication to her work has brought her the love and respect of all those who have worked with her.

We at E. C. know the job our board is faced with every day and realize this job is a difficult one, as is counseling. Counseling is a service offered our students which is both important and time consuming, but without it a student's future would seem uncertain and limited to only a few common fields of education. We hope that our appreciation for the work they do is recognized and that in future years our educational staff will continue to be as hard working and understanding as this year's staff has proved itself to be.

Dear Students:

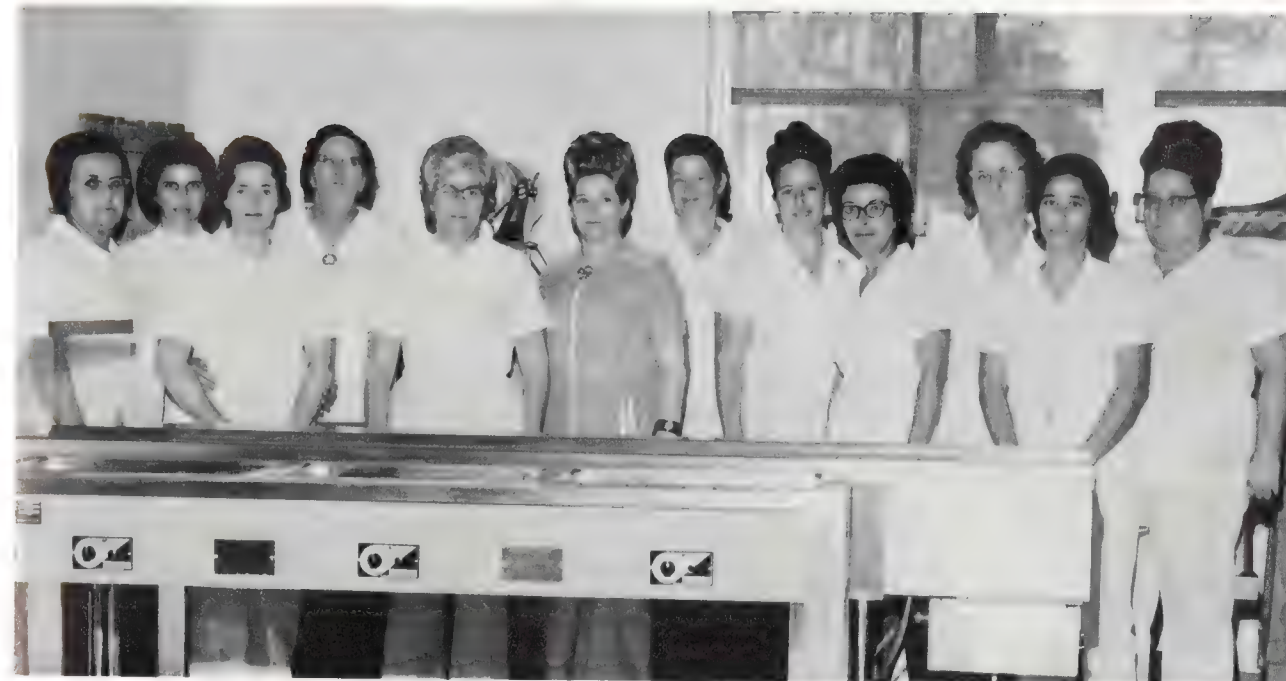

Your yearbook is one of the greatest books of memories. Each of you has contributed to its success.

I salute the annual staffs of all the Jackson County Schools. Throughout the years I have been associated with the schools, I continue to point with pride and pleasure to the yearbooks in my office.

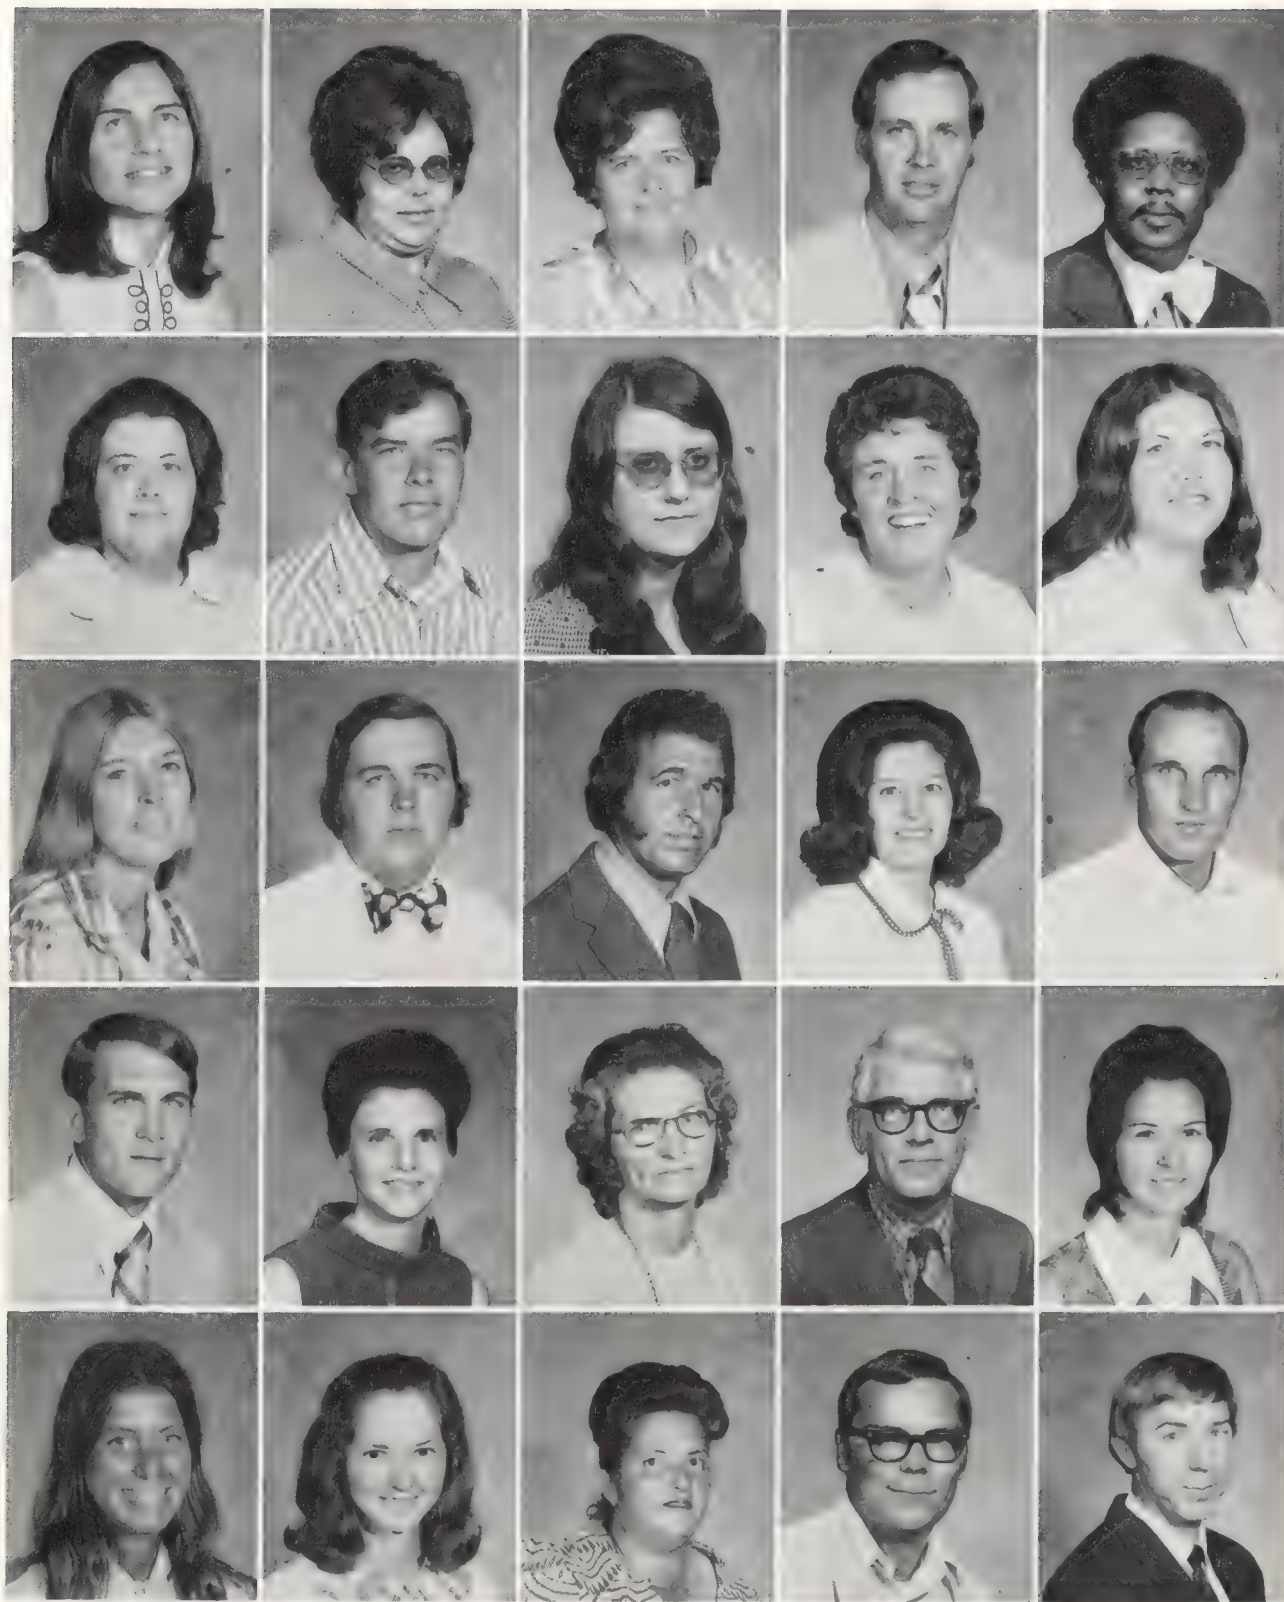

Always remember that nothing is waste that makes a memory. Memories are what enables man to survive and to progress. To each of you, I hope all of your memories can be as pleasant and as precious as those contained in this book.

Sincerely,
M. H. Mallette
Superintendent

Smiling Faces

No school can get along without a staff of skilled workers. This year we were privileged to have Alice Long back with us. Other competent workers include Melinda Williams and Carolyn Bailey. Sandra Rasberry has done an excellent job with our library. Other fine workers include our lunchroom staff, headed by Mary Joy Cumbest, and our bus mechanic, Bobby Moesch.

Brian, I hope you are well. I hope you are all the best of friends. I think about you. Love always Barbara

Brian,
I know that in the past we have been very good friends. But I have changed my attitude about you. I couldn't have any better friend than you are to me now. I've forgot the past & look into the future.

P.S. A smile
could work
in B.B!
Rebecca
